

## GREAT THINGS BEGIN WITH GREAT PEOPLE.

At Nedbank Lesotho, we strive to attract and retain Lesotho's top talent to build the future leadership and specialist pipelines of our organisation that allow us to remain competitive. It is with this in mind that we invite applications from graduates for our 2012 Graduate Development Programme.

Our Graduate Development Programme provides graduates with in depth insight into the world of banking and how large organizations are structured to work together as a unit. The Programme further gives the opportunity to either embark on a learning journey in a specialised field or to gain exposure within various areas of the Bank. All these will enable graduates to gain experience that will put them in a suitable position should they wish to acquire a managerial role in future.

We are pleased to offer this opportunity to graduates and we are confident that, together, we can Make Things Happen.

Qualifications required: Bachelor of Economics, B Comm (Accounting/ Banking/Law), Bachelor of Business Science, BBA, General Accounting and Business Related Degrees.

Please send your CV to: Head of Human Resources, Nedbank Lesotho Ltd, P.O. Box 1001, Maseru 100 – on or before 9 December 2011.

PLEASE NOTE: Interested graduates should submit their applications together with their CVs, certified copies of academic record and certificates.
