

Nedbank MobiMoney Wallet

Nedbank MobiMoney is a mobile-based wallet which uses your cellphone number as a store of value and allows you to perform certain transactions.

A MobiMoney wallet is easy to open, with **no queuing, and no documents needed**. Your cellphone number becomes your account number with Nedbank Lesotho MobiMoney so that you can transact anytime, anywhere.

Some of the cool things you can do with Nedbank MobiMoney:

- ★ Send and receive money
- ★ Buy prepaid airtime or electricity
- ★ Withdraw cash from the MobiMoney wallet at any Nedbank Lesotho ATM
- ★ Existing Nedbank account holders can top up their MobiMoney wallets through inter-account transfers and vice versa
- ★ Deposit money into your wallet at the teller at a branch

Other great benefits

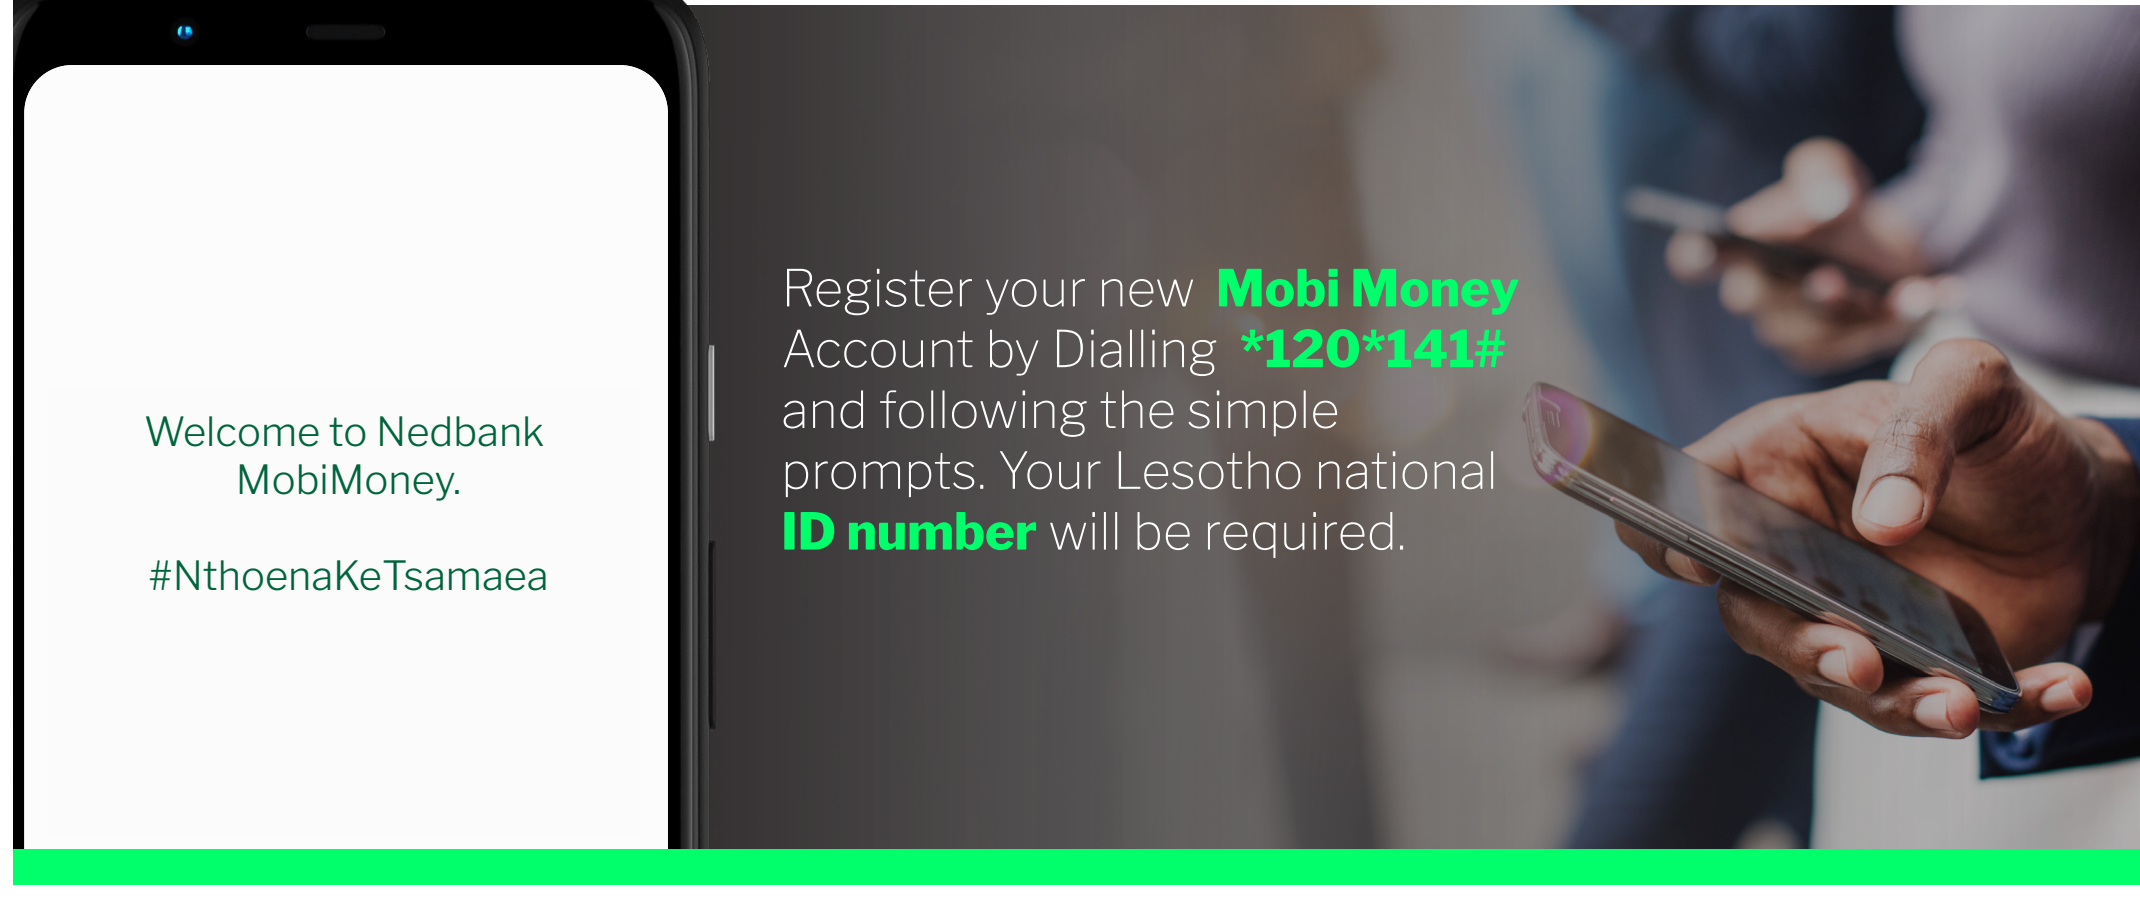

- ★ There are no monthly management fees
- ★ Pay fees only on the transactions used
- ★ Keep money safe with a PIN on the MobiMoney wallet

What do you need to apply?

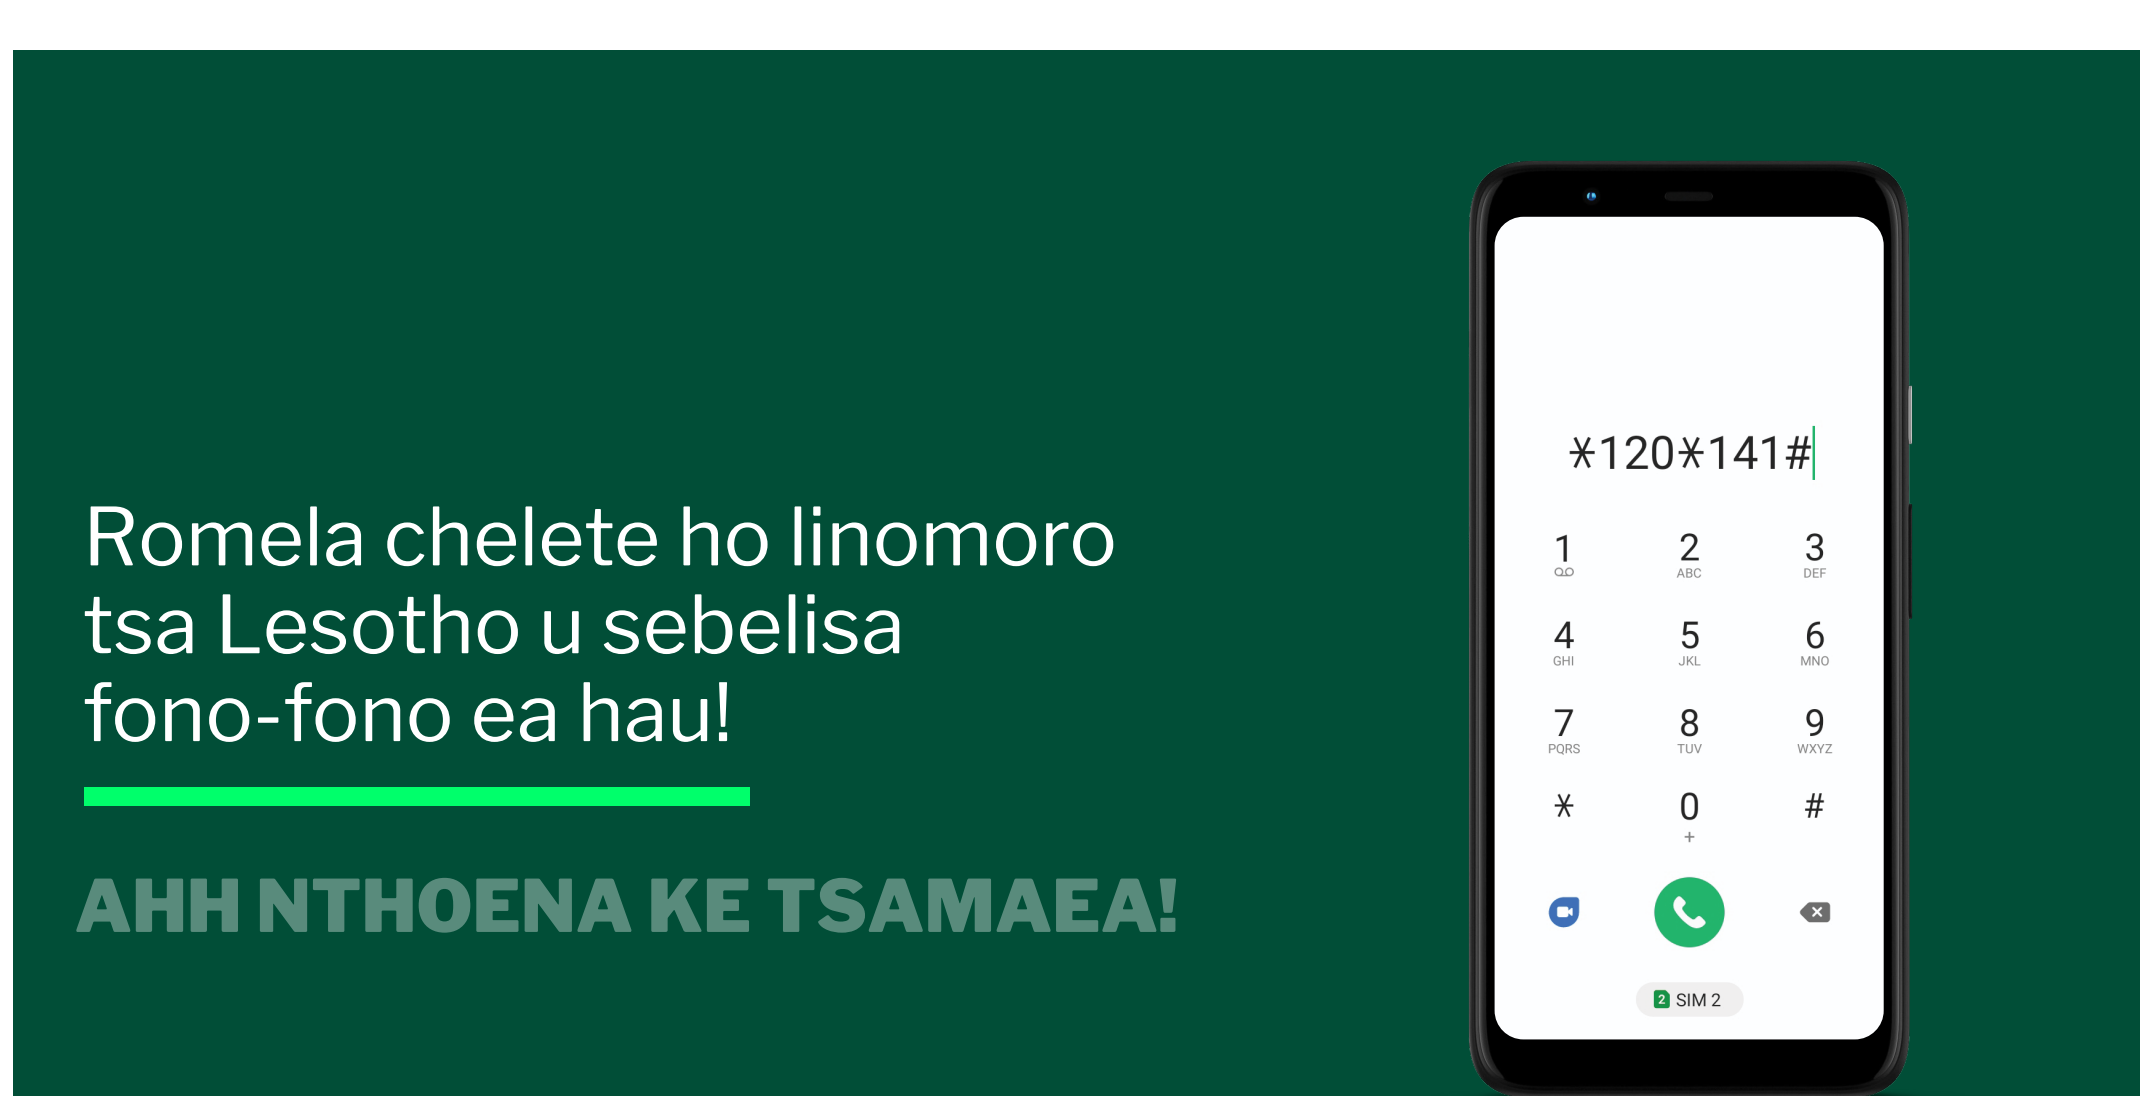

- ★ An active cellphone number
- ★ A valid Lesotho identity number

Who qualifies?

Anyone with a valid Lesotho cellphone number and identity number
